- Every day stocked sizes : 600mm,800mm,900mm, 1000mm,1200mm,1500mm,1800mm.80mm wide.
- Outlet: can be used with standard Australian. 50mm thread or with standard puddle flange.
- 5 designs to choose from.
- Removable Grate for easy cleaning.

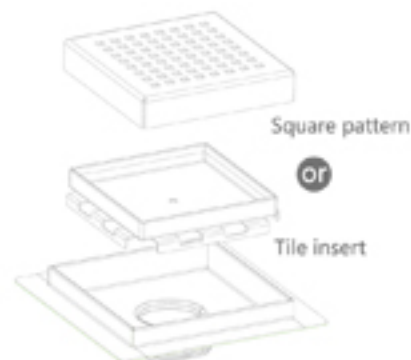

▲ Standard thread outlet for traditional connection or to push into puddle flange.

❖ SG-130-SQ / SG-130-T

- Built in tilers edge.
- Our unique 50mm outlet design is ideal to suit the Traditional Plumber. It connects to the standard Australian screw on piping and at the same time it can be pushed into a standard Puddle flange.
- Grate is removable for cleaning.
- Option of tile insert or Square design for commercial look.

❖ Against Wall Design and Handles

▲ If you are putting the grate against wall, we have invented unique feature called Z Bar, it eliminates the hard work of trying to line up the grate to start tiling. Once the Z bar is on your tiling has just become a lot easier and quicker.

◀ Handles for removing the grate

The Bella Vista Quality is backed by a 10 year Structural Warranty.
