

# WEATHERGUARD

WEATHERGUARD SILL

## Premium energy efficient entry frames

- Material is meranti regular - check your state. Merbau as an optional extra
- Self-draining aluminium sill - improved moisture control
- Generous tread pattern on sill - reduces slip
- Frames have a full perimeter seal - improves energy efficiency and noise reduction
- Seal is removable for painting frame and is easily reinstalled
- Sill supplied with protective tape during construction - removable at handover
- Timber jambs and head

Regular meranti Weatherguard frames are tested and are BAL 12.5 compliant when installed as per AS 3959-2009
